

"Setting the Standard in Transformer Excellence"

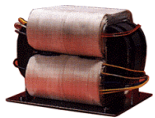

PRODUCT CAPABILITY SUMMARY

Switch Mode Magnetics

- Filter Chokes
- Choke Coils
- Transformer Chokes
- High Current Chokes
- Air Core Chokes
- Common Mode Chokes
- Ferrite Core Chokes
- Custom Ferrites

Power Transformers & Power Toroids

- Electric
- Current
- Power
- Custom
- Isolation
- Reactors
- Transformer Coils
- Three-Phase
- Encapsulated
- RF
- Toroidal Inductors
- High-Current Toroidals
- Electronic
- Laminated
- Plug-In
- X-Ray
- Audio
- Instrument
- Single-Phase
- Pulse
- Ferroresonant
- Transformer Chokes
- Toroidal Chokes
- Control
- Miniature
- Oil-Filled
- Flyback
- Output
- Auto
- Linear
- Special
- Current Toroids
- Toroidal Coils
- Toroidal Power Supplies

High Voltage Oil-Filled Tanks

- 15 KW
- 50 KW
- 25 KW
- 30 KW

Coils

- Air Core
- Foil Wound

Two Manufacturing Locations

Tranex at Colorado Springs

Corporate Headquarters
 Rapid Prototyping • Design Engineers
 Low/Medium Volume Magnetics Manufacturing Capacity

Tranex Magnetics China

High Volume Magnetics Manufacturing Capacity
